## 2018 ANNUAL GLOBAL USER CONFERENCE

OCTOBER 5 & 6  
Newpark Resort, Park City, Utah.

### About This Speaker

Gary Young began his career as a sound technician and by the time he was 38, his life had taken a downward turn due to heart disease & chronic pain. Searching for answers and healing led to meeting his mentor. He went on to earn a Nutrition Coach Certification to help others. Looking for answers to deeper issues that nutrition alone would not fully balance led to the BioScan SRT. Today, he has a thriving wellness center, helping people from all over the world with everything from digestive issues to chronic Lyme and autoimmune issues.
